

YOU and Your Community

SOCIETY OF ACTUARIES FOUNDATION

Preparing for tomorrow's possibilities

The Society of Actuaries Foundation is the profession's new foundation established to utilize actuarial skills in the public interest by funding research, education and communications initiatives. We'd like to know more about our members' community involvement to assist the Foundation in selecting its activities that will best reflect the concerns and interests of you, the actuary. Please help by taking 5 minutes to answer the following questions.
